NOD-O-GEN

Quality

The culture with the highest efficiency test. Jelly type culture most strongly recommended by agricultural authorities. Best strains of proper organisms effective and proved in constant field and laboratory tests. Finest ingredients used. Produced in an approved laboratory under personal supervision of a leading technical bacteriologist.

Sales Appeal

The culture having all the good advantages. Patented ventilating stopper. Most attractive label and packaging. It sells at sight - you can see it is good. Sales increasing year after year. Now in the 21st year of production in our own laboratory. Nationally known. Dealer sales helps and advertising supplied.

Low Cost

The culture selling at most reasonable price consistent with high quality. Economical to the user - highly profitable to the dealer.

Write the United States Department of Agriculture or your local experiment station regarding NOD-O-GEN.

We will be glad to place full particulars before any dealer interested in joining the host of satisfied NOD-O-GEN distributors.
